Ch, ch, ch, ch, The movie's beginning uh, oh there's the Werewolf, by golly it's [a] kid named Dale. I think [I] remeber him from the past  
Here come a man What!  
It's David Briker I don't believe it Look out!!  
R-r-r-r orf-f-f-f. What's left you may ask

Well there certainly isn't any skin or bones that is, of the werewolf, But still there's not much left of David either.
